## **The Hampton History Museum Needs Boxes and Volunteers For Model City Building Event on January 19**

**Hampton, VA** - With the busy shopping, and shipping, period upon us, the Hampton History Museum could use the boxes the public will receive this holiday season. The museum needs boxes, other recyclable materials, and volunteers, to build a large-scale model of Downtown Hampton for the free family event “Build the City” taking place at the Hampton Roads Convention Center on Saturday, January 19 from 10:00 a.m. to 2:00 p.m.

### **Boxes and recyclables needed**

Cardboard boxes of all sizes and other reusable materials such as egg cartons and paper towel rolls that can be used to create model buildings and other structures. Shipping boxes from holiday packages are ideal, as well as smaller boxes used for gifts, food, toothpaste, and household items. Boxes will be welcome up to the day before the event.
